## The Carson Commentary

We have had a great week; Bunnings last Saturday was enjoyable, and we were told that our BBQ generated the best result since the resumption of the sausage sizzles at the Oxley store. Well done team. It also reinforced to me how important friends of Rotary are, on Saturday we were assisted by three friends John Cridland, Marje Jackson and Paul Smart without their help we would not have been able to meet our obligations and run the event.

Thursday night's social event combining the return of the month end social and a thankyou for Bev and Jeff Jackson for their hospitality hosting our club for 17 years in their home. During that time Bev also managed to be the first Female President of the club not forgetting a driving force behind our signature event the Rotary Fun Run. I am sure we will continue to enjoy Bev and Jeff's company into the future.

Do not forget to register for the Rotary Club of Taylor Bridge's trivia night, this year online due to COVID-19 restrictions. This year you can participate online from the comfort of your home. Proceeds are going to Australia Rotary Health's Lift the lid on Mental Illness campaign, a very worthy recipient.

Enjoy the spring sunshine.
