Hi everyone.

It was great to see such a good turnout for the change over. Thanks for the support. I think we could all agree we will have our work cut out for us yet again this year!

With the first week of the new year looking like a lockdown week the challenge has certainly started early. With a little luck it wont go one for to long.

This week we will be organising the raffle tickets for the movie night on the 19th. If anyone would like a extra supply of tickets just let me know! Next weekend Sunday the 8th is a Zoom presentation for Membership, if anyone would like to log in please let me know and I will organise you the link.

Have a great lockdown week everyone and hopefully we'll see each other in person on Wednesday! If not it's back to Zoom.

SMILE!

« A recent study has found women who carry a little extra weight live longer than men who mention it.

« I may not be that funny or athletic or good looking or smart or talented. I forgot where I was going with this.

« A thief broke into my house last night. He started searching for money so I got up and searched with him.

« I think I'll just put an "Out of Order" sticker on my forehead and call it a day.

'Now that I am old and slow and on a fixed income, I have disconnected my home alarm system. I also decided to turn of my external light and resigned from Neighbourhood Watch. I have raised two flags in my front garden, one at each corner and have the black flag of ISIS in the centre.

> It is so good now, my neighbours, the local police, the Federal Police and the Armed Forces are all keeping watch on my house 24/7. In addition, I am followed and watched everywhere I go. I have never felt safer!

The 4-way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
