SERVE TO CHANGE LIVES

Andrew's Advice

HAPPY NEW YEAR

President Andrew Rodgers

Hi everyone, I hope you have all had a good start to the New Year....with the exception of the dreaded Covid!

I'm sure you have all seen the emails this week for our meetings. The general consensus is to stick with zoom meetings until the worst of the latest outbreak is under control.

I know everyone is vaccinated and a lot of us are topped up but we just don't to risk meeting at such a time! Pretty much all social events are cancelled and other Rotary events are being postponed.

The meeting for this coming week will now be at 5.30pm so to try and keep some sort of order. If anyone has anything specific to bring up for reports, please let me know!

Thanks everyone and hopefully we will be back to normal soon!

Andrew

Vol 34 Edition 12
19th January

This meeting

Club Assembly

Our first meeting back at Hasp St. It's a zoom meeting, 5:30pm – 6:30pm!

Details to follow soon.

26th January

Our social week at the Jindalee....possibly!

2nd February

TBA

9th February

Board Meeting

District 9620

District Conference

Caloundra

Caloundra Civic Centre

18—20 March 2022

The Board for 2021 –22

President	Andrew Rodgers
Treasurer	Gerry Gebert

That was the week that was or TW3

Raffle: Was I supposed to get the raffle prize???
Kathy wone and received our best wishes!

Secretary: Di is preparing to send the annual return to the Office of Fair Trading following receipt of our audit.

RJCA: All three schools are in and it appears that Jindalee Rotary Club will be picking up a fourth.....Jindalee State School.

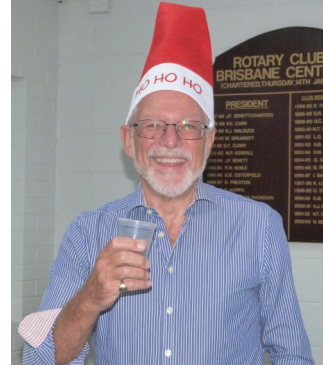

Treasurer: The club is still working towards Clem Renouf recognition. Craig will remind members— noting who has contributed thus far.

Bunnings BBQ: Craig producing an update roster for 19 December.

BeefBank: More cattle have been donated to BeefBank making it a rather successful year.

From the Desk of the President:

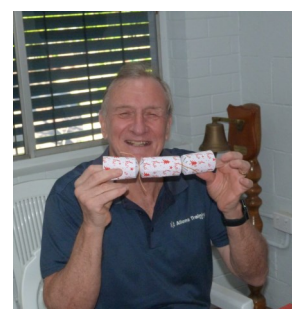

Andrew noted that, despite COVID and all of its complications, it had been a busy year and he gave us all his thanks.

Change of Venue: We will probably have to find a new venue as Bolt and Co are unlikely to renew their lease on the building as they have outgrown the premises. Probably move sometime March—May.

COVID: It seems likely that our meetings are subject to the same rules as pubs etc and that we will all have to produce evidence that we are double vaxed.....not that this issactuallly an issue with many of us now triple vaxed!

Bunnings BBQ—Sunday 10th December

The Bunnings BBQ was a good day. We are now back to the front door. The difference was a 25% increase in trade taking \$1,396,

Trade was different to pre-covid times. We had a steady demand all day with not many queues. Kina, the Bunnings community officer said that ours is one of the best results since moving back to the main entrance and covid restrictions.

Having the 2 Gazebo's gives everyone room to move—the downside was having to wear masks all day....see the photo.

Our tablecloths do impress fellow community groups. All were asking where they come from, with Jindalee Rotary, Kenmore Rotary and Oxley Lions amongst the interested parties' It was hot, alleviated a little bit by a fan supplied by Bunnings.

GIVE EVERY CHILD A FUTURE

To celebrate 100 years of Rotary in Australia and New Zealand, every district is supporting a project to provide the standard vaccinations programmes for children in the South Pacific islands.

UNICEF REPORT - VACCINATIONS BEGIN!

In July 2021 rotavirus, pneumococcal conjugate and human papillomavirus (HPV) vaccinations began in Samoa, Tonga and Tuvalu. Unfortunately, at the time Samoa was facing a rotavirus outbreak so it was particularly

crucial to reach children there with vaccines as quickly as possible.

Although the roll-out was later than initially planned, due to COVID-19, reaching this milestone is a cause for celebration. Thank you so much to everyone who has supported the Rotary Give Every Child a Future project to enable us to make real progress in protecting children in Pacific Island countries from killer diseases.

Vaccinations are scheduled to begin in the Cook Islands, Nauru, Niue and Vanuatu in September.

Over the past year UNICEF and Ministry of Health teams in the Pacific have been busy forecasting vaccine requirements, setting up the cold chain (including delivering fridges, voltage stabilisers, cold boxes and vaccine carriers), developing training materials, training healthcare workers and producing communication materials for the public.

As well as rolling out vaccines in the remaining countries in September, UNICEF and government partners will continue to address vaccine hesitancy to ensure as many children as possible benefit from the Rotary

	Today (a while ago)!
1764	Bolle Willum Luxdorph records in his diary that a mail bomb, possibly the world's first, has severely injured the Danish Colonel Poulsen, residing at Børglum Abbey
1768	The second group of ships of the First Fleet arrive at Botany Bay.
1883	The first electric lighting system employing overhead wires, built by Thomas Edison, begins service at Roselle, New Jersey
1901	Queen Victoria stricken with paralysis. She dies three days later at the age of 82
1915	Georges Claude patents the neon discharge tube for use in advertising
1915	German zeppelins bomb the towns of Great Yarmouth and King's Lynn in the United Kingdom killing at least 20 people, in the first major aerial bombardment of a civilian target.
1983	The Apple Lisa, the first commercial personal computer from Apple Inc. to have a graphical user interface and a computer mouse, is announced.
2007	Four-man Team N2i, using only skis and kites, completes a 1,093-mile (1,759 km) trek to reach the Antarctic pole of inaccessibility for the first time since 1965 and for the first time ever without mechanical assistance

SMILE!

Church Ladies With Typewriters

They're Back! Those wonderful Church Bulletins! Thank Goodness for the church ladies with typewriters.

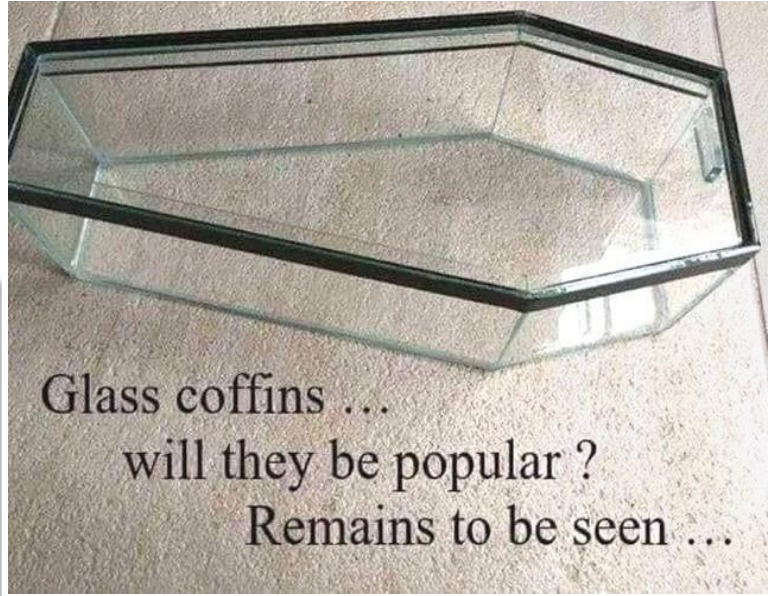

And this one just about sums them all up:

The Associate Minister unveiled the church's new campaign slogan last Sunday:

'I Upped My Pledge - Up Yours.'

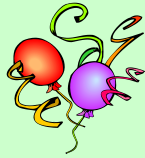

I have a pencil that used to be owned by William Shakespeare.

But he chewed it a lot. Now I can't tell if it's 2B or not 2B.

Happy Birthday to:

Gerry Gebert	8 January
Andrew Rodgers	15 January
Danielle Rodgers	28 January
Melanie Rodgers	17 January
John Woodward	12 January

Congratulations and happy anniversary to:

Tracy and Clive Tucker 30 January

The Club welcomed:

Gerry Gebert	2 January 2008
Tracy Tucker	23 January 2019
Geoff Williams	31 December 1988

I relabeled all of the jars in my wife's spice rack. I'm not in trouble yet....but the thyme is cumin.

I'M TAKING CARE OF MY PROCRASTINATION ISSUES; JUST YOU WAIT AND SEE.

The 4-way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
