Ommaney Q 4074

IMAGINE ROTARY

Andrew's Advice

Hi everyone!

I hope you are all enjoying the last few weeks of winter! And, yes, if you are wondering - Australia has 92 days of winter and this has been the coldest winter for over 33 years - according to the Bureau of Meteorology.

We are all back at Kingsford Terrace this week, with some outside catering being organised by Neville and Di. It'll be good to get back to normal.

Cr. Sarah Hughes will be visiting this week, so it will be good to see as many people attend as possible.

For those on the Board, please remember to allow a little time after breakfast to have our board meeting.

Just a couple of quick reminders for up coming events. The Foundation Dinner on the 23rd. It is not to late to get tickets! The DG visit to our club is coming up on the 28th of September.

Thanks everyone and I'll see you all on Wednesday!

Andrew

23rd August

Foundation evening with PRIP Ian Riseley at the Cricketers Club

24th August

Cr. Sarah Hutton

31st August

ACTUALLY, 2nd September, our social meeting down at the Jindalee Hotel.

7th September

Regionalization— PDG Chris Wright.

This is a topic that affects our club and the way that Rotary operates in Australia.

Stephanie A. Urchick is selected to be the 2024-25 president of Rotary International

Stephanie A. Urchick, of the Rotary Club of McMurray, Pennsylvania, USA, is the selection of the Nominating Committee for President of Rotary International for 2024-25, a decision that would make her only the second woman to hold that position. She will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

With the world facing incredible challenges, including the COVID-19 pandemic, disasters driven by climate change, and conflict in many regions, Urchick says Rotary's leaders can offer a vision and a plan for overcoming these challenges.

"Measures taken by Rotary leadership to survive and end critical challenges often make our organization stronger and more resilient for future events," Urchick says. "This kind of essential leadership also creates new levels of cooperation, even among rivals, when Rotarians pull together as people of action to serve and solve a crisis."

Making regionalization a priority is crucial, says Urchick.

"Because Rotary operates in more than 200 countries and regions, it is vital to recognize that the organization has the potential to become more efficient and effective by understanding and reacting to how regional differences affect the way Rotarians work together to address providing service, promoting integrity, and advancing world understanding, goodwill, and peace," Urchick says.

Urchick is partner and chief operating officer of Doctors at

Work LLC, a consulting and training company. She holds a doctorate in leadership studies from Indiana University of Pennsylvania. She is active on numerous community boards and committees, and has been honoured by organizations including Zonta International and the Sons of the American Revolution.

A Rotary member since 1991, Urchick has travelled to Vietnam to help build a primary school and to the Dominican Republic to install water filters. She studies several Slavic languages, has mentored new Rotarians in Ukraine, and coordinated a Rotary Foundation grant project in Poland.

Urchick has served Rotary in many roles, including as a director, Foundation trustee, and chair of the RI Strategic Planning Committee and the Foundation's Centennial Celebration Committee. She currently serves on the Election Review Committee and the Operations Review Committee. She is a Rotary Foundation Major Donor and a member of the Bequest Society.

Today (a while ago)!	
1776	According to American colonial reports, Ezra Lee makes the world's first submarine attack in the <i>Turtle</i> , attempting to attach a time bomb to the hull of HMS <i>Eagle</i> in New York Harbour (no British records of this attack exist).
1906	Alberto Santos-Dumont flies his 14-bis aircraft at Bagatelle, France successfully for the first time.
1909	Eugène Lefebvre crashes a new French-built Wright biplane during a test flight at Juvisy, south of Paris, becoming the first aviator in the world to lose his life in a powered heavier-than-air craft.
1911	French poet Guillaume Apollinaire is arrested and put in jail on suspicion of stealing the <i>Mona Lisa</i> from the Louvre museum.
1923	The International Criminal Police Organization (INTERPOL) is formed.
1936	The last thylacine, a carnivorous marsupial named Benjamin, dies alone in its cage at the Hobart Zoo in Tasmania.
1986	Desmond Tutu becomes the first black man to lead the Anglican Diocese of Cape Town.

Glen assisting and obviously enjoying herself at a recent session at DIK...or should I now say RARE (Rotary Australia Repurposing Equipment)!

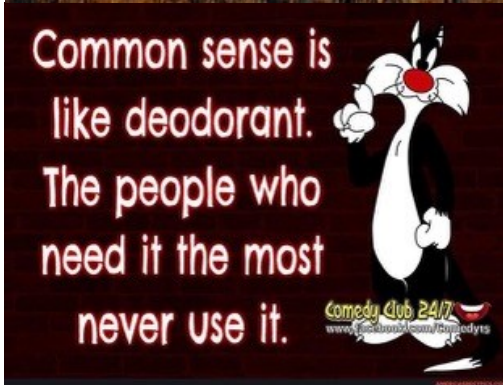

SMILE!

What do you call a dinosaur with an extensive vocabulary?

A thesaurus.

I dropped out of communism class because of lousy Marx

I got a job at a bakery because I kneaded dough

Don't worry about old age; it doesn't last.

DAY 12 WITHOUT CHOCOLATE
Lost hearing in my left eye

Happy Birthday to:
Elaeanor Killen 15 August
Kellie Filer 16 August

The 4-way Test
Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
