The Rotary Club of Brisbane Centenary

President's Report

Nominal President Di Scotte

As you are aware from Di's recent email, Graham has had to step down from the role of Club President with a number of Club members volunteering to look after various aspects of the position (my job is to prepare the report for the Bulletin). Firstly, a big thank you to Graham, and Kath, for their huge contribution to the Club during the first half of the Rotary year.

You would also be aware that the Club has decided to publish only one Bulletin each month, to be issued prior to the first Club meeting of that month. Under the eagle eye of Nick (the Club's Bulletin editor), we are reviewing the format of the Bulletin so you may notice some changes in the coming months.

As always, the Club has a lot of activities happening so I thought that it would be beneficial to provide a summary of these as follows:-

- Our first meeting in February is on Wednesday 7th – this is also our District Governor, Paul Roger's official Club visit so all members are encouraged to come along to meet Paul and discuss all things Rotary;
- Our monthly social night is Friday 2nd – more to come

CHANGES TO PRESIDENT:

- Due to personal commitments, Graham Osterfield will step aside as club president and board member, for the remainder of the 2023-2024 Rotary year.
- It was suggested that the President position be by name only (i.e. a 'nominal president') and the president's jobs be shared by other club members. **This was agreed by all present.** Lester Drew (our Assistant District Governor) said this was acceptable by District.
- We will need to notify My Rotary and Maggie (for DG) Kuok. For change of name.
- Di Scotte to become the club's 'nominal' president for the remainder of this Rotary year.
- All current board members will continue with their current roles.
- We will need to have a new 'Executive secretary' for the club, to ensure 2 club members are able to make changes to 'MyRotary' etc, if necessary. It was decided to firstly approach Nick Curry. Neville Blomeley could take on the role if Nick was unable to do so.
- The club Bulletin was discussed. Gerry Gebert has kindly offered to write the 'President's Report' for the club bulletin each month. It was finally decided to **CHANGE TO HAVING ONE CLUB BULLETIN PER MONTH.** Notify Nick and all members. It was suggested that the bulletin could be sent to all members **prior to the first Wednesday in the month**, so all members have an overview for the upcoming month prior to attending our first meeting of the month. Neville will continue to let Nick know who guest speakers will be. Gerry will notify all about the plan.
- Di will make the necessary changes to MyRotary about positions and also notify all members of change.
- President jobs to be allocated as they arise.
- Graham will continue his role with BeefBank.

- President elect was discussed. Quadocracy again? Or 2? Further discussion to come. (President Elect training in April – 20 and 21st. PE will need to attend.)
- Lester suggested we need to put together a **strategic plan** to help with consistency for a split presidency. The club will proceed with this.
- Discussed moving our club trailer and other Rotary gear from Graham's property. **Craig will be able to relocate the trailer at his workplace.**
- Graham's shed – to be cleared. By end of March – prior to Easter. **Working Bee at Graham's in March. 16th or 17th March. Craig will be able to store gear at his workplace.**

Member Reports:

- **Neville** – Requested guest speakers please.
- Nick Cook's visit as speaker **24th January.** (John will verify with Nick Cook.) Di will give membership materials to Graham as she won't be able to attend the meeting on the 24th January.
- DG visit **7th February.**
- **Craig – 25th February** - Songbirds Community **BBQ.** Trailer. Nick or Terry will be able to collect and deliver the trailer. Arrive **9 leave by 12.30.** Several already helping. No further helpers required. Craig will order and someone collect bread and sausages from Oxley Woolworths, Craig will get onions night before.
- **Saturday 23rd March – Styromax. BBQ.**
Graham – Will give Craig Fiji paperwork.
John – 3rd February opening of new RARE.
10am. John will work with Graham about Fiji project.
District conference March. 8th-10th March at SeaWorld. Accommodation has nearly run out.

Finally, it is mentioned that the Club is in the process of developing a strategic plan and all members will be encouraged to have input into future discussion.

From Page two.... meeting notes

Lester – Strategic Plan and PETS training and Assembly. (One weekend.) (Craig will be attending.)

- Recently requested Report to District. Craig has done and Di will submit to Lester.
- Club technology – Lester suggested we could pay to get someone to do the updating on social media, as we have done previously. John may have someone who can do that. He will get back to the club.

- There was discussion about possibly approaching Ada as to whether they might be interested in a corporate membership of the club.
- Craig:** Net 6 month fundraising efforts – about **\$13,000. 46,700 meal portions** supplied to BeefBank worth \$93,400. Bim Struss (BB board) has done fantastic work. \$20K from RNA fundraising.
- BeefBank:** Beaudesert abattoir has closed. Andrew has found somewhere else to use.
- John – will follow up with Stoddard's.
- Lester – membership – It was suggested we could consider having a combined local clubs meeting. Ask those already doing voluntary work in the community and ask how Rotary can help them?
- Bob raised the issue of the expense of paying dues to be a full member of a Rotary club, and how this can be a big disincentive for prospective members. Discussed. Lester mentioned that Rotary allow up to 10% of funds raised to subsidise club expenses.
- Di** – RJCA – Di will approach local schools to start ASAP. Neville and Di agreed to try to approach Middle Park SS again to gauge their interest in an EarlyAct club for 2024.

Meeting closed 7.45am.

Thanks to Di Scotte for these meeting notes

SMILE...

I don't care who dies in a movie, as long as the dog lives.

I think the reason we are born with two hands is so we can pet two dogs at once.

The world's best antidepressant has four legs, a wagging tail and comes with unconditional love.

Love is how excited your dog gets when you come home

Congratulations and happy anniversary to:
